

SouthPoint Contract Shooting / Vertebrate Pest Animal Control

Capability Statement

Jon South | 0439 779 272 | jon@southpointvpac.com.au | ABN 47 485 114 744

Overview

SouthPoint Contract Shooting provides professional ground-based vertebrate pest animal control services for rural and semi-rural properties around Cowra and the Central West NSW. Services are delivered with a focus on safety, discretion, landholder communication and lawful control work.

Core Services

Service	Details
Pest animal control	Foxes, pigs, deer, goats, rabbits, feral cats and kangaroos under the correct permit or authority.
Trail camera monitoring	Trail camera placement, checks and movement pattern observations.
Property assessment	Discussion of access, stock, boundaries, neighbours, roads, hazards and no-go areas.
Follow-up reporting	Basic job notes, observations and follow-up recommendations where required.

Credentials & Business Details

Business / trading name	SouthPoint Contract Shooting / Vertebrate Pest Animal Control
Operator	Jon South
ABN	47 485 114 744
Phone	0439 779 272
Email	jon@southpointvpac.com.au
